
Sunday is a Life Changing Day

Sunday is not just a holiday, but it is a Life Changing Day.

- Only on Sunday we sit and think 'what is wrong with me?'
- It's a Sunday we go and see the unknown world (visit new places).
- It's a Sunday we take some time to see the God (visit Temple or Church).
- It's a Sunday, when we relax, remove stress, dissolve tension and spend quality time with likeminded people.
- We reorganize and settle down our emotional issues mostly on Sunday.

Now with Bharatiya Vidya Bhavan – experience Life Changing Sundays.
